

International Student-Athlete Needs Analysis Form
for Athletic Opportunity Fund “Clothing and Shoes” Consideration

The Athletic Opportunity Fund “Clothing and Shoes” allocation is awarded by the UGA Athletics Department to student-athletes who are eligible for the Federal Pell Grant. Students interested in the need-based Federal Pell Grant must submit a Free Application for Federal Student Aid (FAFSA) to have their financial need calculated through the Expected Family Contribution (EFC) figure.

Students who do not meet the citizenship requirement for Federal Financial Aid (U.S. Citizen OR eligible non-citizen) cannot submit a FAFSA. The purpose of this form is to collect information for the Office of Student Financial Aid (OSFA) at UGA to estimate an International Student-Athlete’s EFC figure for the Athletic Opportunity Fund “Clothing and Shoes” allocation. For the 2015-16 academic year, if an International Student-Athlete’s EFC figure equals 5198 or less (the EFC figure required for Federal Pell Grant), the student will meet the financial need component of the Athletic Opportunity Fund “Clothing and Shoes” allocation.

Interested International Student-Athletes need to complete this form and return it to Joseph Boyles at OSFA.
